What is your general impression of the holiday?	Very good	I loved every moment. Jose Manual and Maria made sure all individual beeds were met. They went the extra mile to accomodate for every single need from getting plasters for blisters, driving us to the local town, giving us local advise on doñana park and what to see

How were you received upon arrival?	Very well	Being asked if I wanted to go see the rutting deers before dinner first thing. And then asked if I wanted to go by car or horse. Duh! Magical first evening riding around El Rocío stopping at one of the bars for a glass of wine.
How was the accommodation compared to your expectations?	Very good	Beautiful place
How was the food that was included in the price?	Very good	The food had clearly been prepared by a top chef. Good wines. Breakfast with freshly squeezed oranges, home grown tomatoes and eggs from the hens on the yard is the best way to start your day.
What did you think of the riding quality?	Very good	Very very good. Great flexibility and fantastic horses. If you are serious about wanting to improve your riding José Manuel will make you work really hard and achieve more than you thought was possible in a week.
What did you think of the quality of the horses?	Very good	Exceptional. All horses are happy, healthy and positive. Super cool hacking out and trained to a very high level. Sensitive and forward going.
How did you get taken care of during your stay?	Very well	It sounds like a cliché but I was really made to feel like a friend rather than a customer. Including going to a festival and concert with the owners on Friday night in a neighbouring town. Noting I asked for was too much trouble.
What is your general impression of the holiday?	Very good	I had an amazing time and really improved my riding massively at the same time as we had plenty of fun and laughter in the process. By the end of the week I was doing canter pirouettes and flying changes. It's also a very pretty part of Andalusia with the Doñana National Park for fabulous riding on your doorstep, the horsey town of El Rocío and the white beaches only a short drive away. I will be back again very soon.

What did you think of the information on HorseXplore's website?	Very good	It correctly reflects the experience.
How did you experience the contact with HorseXplore?	Very good	I got good help with booking this trip.
Would you like to travel with HorseXplore again?	Yes
