How were you received upon arrival?	Very well	The driver was waiting for us and the drive to MV was really smooth and safe. Our rooms were ready when we arrived late in the evening and we were even fed with a phenomenal dinner. Fantastic!
How was the accommodation compared to your expectations?	Very good	Well, this is a sanctuary when it comes to accommodation and scenery. The jacuzzi broke down during our stay (water was not hot enough) but we were lucky and had one successful evening in it. The personnel was doing everything they could to repair the jacuzzi so MV is not to blame for this. The sauna was really good and hot enough so that compensated our bad luck with the jacuzzi.
How was the food that was included in the price?	Very good	Food was excellent. Even better what I remembered from 2020.
What did you think of the riding quality?	Very good	It is great to try things like flying changes, passage and piaffe that you would never get to try at home with your own horses.
What did you think of the quality of the horses?	Very good	Well behaving quality horses that are also eye-candy.
How did you get taken care of during your stay?	Very well	The people make the atmosphere and everyone is so likeable and easily approachable professionals.
What is your general impression of the holiday?	Very good	100% worth the Covid-hassle with travelling today. I am so happy that I went.
What did you think of the information on HorseXplore's website?	Is there something we can change to make it better? Very good	It is accurate.
How did you experience the contact with HorseXplore?	Very good	Quick responses and accurate timely information.
Would you like to travel with HorseXplore again?	Why or why not? Yes	I already have 2 travels booked for later this year ;)
I confirm that HorseXplore is allowed to publish my opinions on their website	Yes
