What did you think of the quality of the horses?	Very good	I rode two very different horses, the first one calm and relaxing and the second more energetic and fast, but both equally well trained, nice and fit enough for the long trails and changes of altitude.
How did you get taken care of during your stay?	Very well	Everyone was really friendly and it was interesting to learn about the area from people enthusiastic about their home. I felt really welcome even though I was the only guest in the middle of low season.
What is your general impression of the holiday?	Very good	Everything was well organized and there were short videos to introduce every day's trail. Views at the island were breathtaking and the terrain changed from lush green meadows to idyllic towns to mysterious forests to space like volcano. Even the weather was quite perfect for riding.
