How were you received upon arrival?	Very well	We got picked up at the hotel by Paul. He was friendly and informative of what was going to happen once we got to the farm.
How was the accommodation compared to your expectations?	Very good	Very good is an understatement! The place was beyond expectations. The rooms were spacious and very nicely decorated. We shared accommodations for 3 with a spacious living room/kitchen and we each had our own bedrooms with private bathrooms. There was plenty of comfortable space to get together with other guests as well. Absolutely beautifully renovated place!
How was the food that was included in the price?	Very good	The food and wine that was included in the price was very good and there was plenty. The lunch that we had to pay for separately, was a bit light. Maybe they could add a little something, like an olive/cheese/ham platter to the lunch menu to be served before the actual meal, which was only a salad/soup/sandwich.
What did you think of the riding quality?	Very good	Super qualified staff, spacious clean stables, well behaved and trained, beautiful horses. The two riding arenas were spacious and the hacking trails were absolutely awesome! Lots of opportunities for nice long trots and canters.
What did you think of the quality of the horses?	Very good	I rode 3 different horses over my 4 riding days. They were all so good that I cannot even pick a favorite. Clearly the horses are well taken care of. Seemed like they have horses for different levels of riders.
How did you get taken care of during your stay?	Very well	Everyone was really friendly and always had time to help, answer questions or pose for photographs.
